AGENDA

1. Consideration of possible amendments to the marine fisheries regulations “[Part 2 - Commercial Marine Fishing Licenses, Landing Permits, and Party and Charter Licenses](#)”:
 - a. Exit:entry ratios for Unlimited Shellfish and Unlimited Finfish endorsements. There is no Division proposal to amend either of the exit:entry ratios of either of these endorsements, nor has a proposal been received by the Division. This is an opportunity for a proposal to be made to be considered for amendment.
 - b. Multipurpose vessel license. The Division will provide answers to questions received at the last workshop on this matter, provide opportunity for additional questions and proposals, and provide additional regulatory concepts being considered by the Division.
